

OUR CHARITABLE ACTIVITIES

When we started our business in 2019, we have made the decision to donate a portion of our profits to charity.

Thanks to you, our amazing customers, we were able to start fulfilling our resolution in 2020 by donating 20 000 CZK to Dobrý anděl foundation.

Since we find it meaningful, we definitely want to keep on helping those in need.

Our promise for 2021 is to donate 5 CZK for each performed calibration to charity.

This means that by using our services, you are taking part in helping those in need.

We promise to announce how much we donated and to which organization till 31 December 2021.

Long Live the Pipetting!

PROCALIBRATION
Pro Metrology, s.r.o.
